Sir:

Statement Under 37 C.F.R. § 3.73

Human Genome Sciences, Inc. ("HGS"), organized and existing under the laws of the State of Delaware, having its principal place of business at 9410 Key West Avenue, Rockville, Maryland 20850, states that it is an assignee of record of less than the entire right, title and interest for the above-identified application by virtue of an assignment from inventors Ni, Rosen, and Gentz, recorded in the U.S. Patent and Trademark Office on May 2, 1997, at Reel 8482, Frame 0774. This assignment was directed to the parent application (U.S. Application No. 08/741,095, filed October 30, 1996), and all continuation and divisional applications thereof. The extent (by percentage) of HGS' ownership is 60% (3 of 5 inventors).

The undersigned, whose title is supplied below, is empowered to sign this document on behalf of HGS. The undersigned has reviewed all the documents in the chain of title of the above-captioned application, and, to the best of the undersigned's knowledge and belief, HGS has partial title in the application as described above.

Revocation of Prior Powers of Attorney or Authorizations of Agent

HGS hereby revokes all previous powers of attorney or authorizations of agent given in the above-captioned application.
